

# IT'S TIME TO PICK UP PAINT FOR THE HALLOWEEN WINDOW PAINTING!

When: Beginning on <date>

Where: Name of person's house

Address

Phone

Time:

All paint will be labeled and placed in bags with your Troop #, window assignments, and instructions. Bags will be left on my front porch. If you are unable to pick up your paint, please email me and we can make other arrangements at < email address>.

After you are done painting, feel free to donate leftovers to your favorite art & crafts program.

We ask that you honor the window assignments that you are given. If you feel the need to switch windows with another troop, that is fine but please make those arrangements yourselves.

Thank you and have fun!
