Dear Sir/Madam:

The Oradell Girl Scouts have a longstanding tradition of painting storefront windows during Halloween all along our downtown area. It brightens up our town, shows community spirit and the girls have a great time. Usually over 100 girls participate in this town wide activity.

Can you help us this year by donating 50 large deli containers and 100 small containers so the girls can carry the paint? Our local store is in New Milford.

Kindly let me know by email at XXXXXXXXXXXX or phone XXXXXXXX if your company would be kind enough to help us this year. I can pick up the containers at your convenience. Thank you for your time and any help you can give us.

Sincerely,

XXXXXXXXXXXXXXXXXXXXX
